Nancy Ross and Pam Vargason, owners of the jack, Stroller, do set forth the following terms for the breeding of the Mare:

Mare's Name: _____

Breed & Registration #: _____

Age: _____ Color: _____ Year of Last Foal: _____

Belonging to:

Owner's Name: _____

Address: _____

Phone #'s: _____

Beginning on the date of: _____

1. The breeding fee will be **\$400.00**.
2. If the mare is boarded at G. L. L. facilities, mare care is \$5.00 a day for dry mares and \$7.50 a day for mares with foals at side and includes hay and fresh water. Owner will provide grain and other extras. **Breeding fee, mare care and all other unpaid expenses will be due and payable before the mare leaves the premises.**
3. Flu and Rhino vaccine must be given before the mare arrives – preferably at least 30 days before breeding. A general health exam must be performed and pre-breeding examination form completed before the mare arrives.
4. G. L. L. reserves the right to refuse or at any time reject a mare for any kind of dangerous behavior or if illness is suspected.
5. **Waiver of Liability. G.L.L., veterinarians, and any other parties involved,** shall be saved harmless of liability for any loss from fire, theft, escape, sickness, disease, injury, death, or other harm suffered by mare and/or foal whether or not deemed to be caused by negligence. I understand that **G. L. L.** does not carry any form of insurance on my horse(s). I assume no liability for injury, sickness, or death of the jack, owners, or employees caused by the mare and/or foal.

6. Any illness or injury to the mare and/or foal will be immediately reported to the owner. G. L. L.'s veterinarian will treat the mare unless other arrangements have been made and the circumstances allow. If possible, we would prefer our mare and/or foal to be treated by:
Veterinarian's Name: _____

Phone #: _____

The mare owner will be responsible for all veterinary expenses.

7. The breeding will be by artificial insemination only. A.I. services are available on site or by Julie Fullerton (by prior arrangement with Julie at Fullerton Insemination Station, Bayard, NE).
8. **Live Foal Guarantee.** Live foal means that the foal shall stand and nurse. If the mare does not produce a live foal, a return season will be guaranteed, providing proper written notification by a veterinarian is given. The mare, or a substitute mare owned by or leased to the client, will be re-bred under the conditions of this contract **in the following year only** – subject to the applicable shipping/handling fees for shipped semen or mare care fees.
9. **G. L. L.** will provide a breeders certificate for registration purposes upon request.
10. I certify that I am sole owner of the Mare or have authority to enter into this contract on behalf of the owner(s).
